

HIYAS Dance Troupe

“Hiyas” is a Filipino word meaning “Jewel” or “Gem”. The dance troupe is living up to its name by presenting Philippine culture through dances such as rituals of ethnic tribes, Muslim ceremonial dances, festive dances of the lowlanders, Spanish-inspired social dances, etc. The group also ventures to foreign cultural dances like the Hawaiian, Tahitian, Bollywood and Charleston to name a few.

Ms. Ludy Dellamas - choreographer
