

LIST OF KNOWN FILIPINO AUSTRALIAN COMMUNITY ASSOCIATIONS

Update 28 February 2010

Background: The List of Filo - Aust Community Organisations was compiled at a community meeting on 10 January 2010 held at Laverton, Victoria. This list benefits the wider community for the following reasons:

- It maps known Filipino clubs and associations based on Bayanihan Australia Community Network Inc's (BACNI) earlier research on List of Filipino Organisations within Victorian Planning Regions;
- It facilitates communication among legitimate associations and external agencies.

The List will be updated in January and July yearly before posting on www.bayanihanaustralia.org.

Disclaimer: The List is compiled in good faith from information provided by community organisations and BACNI is not responsible for its ongoing accuracy. Using this List to poach members, recruit for religious purposes, sell goods for personal commercial gain, cast votes or misrepresent any group to an agency, another association or department without formal authority is a serious breach of an incorporated association's independence.

If you become aware of such misuse, or if you wish to add/ amend/ remove your group's listing, please write directly to chairperson@bayanihanaustralia.org or postal address BACNI Office, Level 7 City Village, 225 Bourke Street, Melbourne VIC 3000.
